

Castleton and Winkworth

Over 25 years of service

Winkworth is one of the best known and most respected names in the property sector. It has an ever-expanding network of 75 independently owned and operated agencies.

Winkworth estate agencies are located across Central and Greater London, East Sussex, Dorset, Kent, Hampshire, Yorkshire, Lincolnshire, Nottinghamshire, and Portugal.

The Services

Castleton has worked with Winkworth for over 25 years, both refurbishing signage at existing sites and installing sign schemes at new sites.

We provide a full design and support service, liaising between Head Office and the network of independently operated branches. This includes overseeing and distributing branding and specification guidelines to cover all likely internal and external signage requirements.

Our remit also includes surveying, refurbishing and re-signing on a rolling basis, ensuring Winkworth guidelines are adhered to. At times, our specialist expertise is called upon to adapt the brand and signage specification to meet specific site requirements, such as for listed buildings or in conservation areas.

The Benefits

The long-standing relationship we enjoy with Winkworth and our status as their preferred signage supplier has ensured their brand is clearly defined and projected, in terms of aesthetics, quality and consistency. Our value engineering has helped reduce costs while increasing the efficiency of rollout, installation and maintenance.
